Prestatyn Running Club

Congratulations to all the children who took part and to our school champions Bryn Coch and club champions Prestatyn RC. Due to this being the first event on the new course all individual winners now hold the category records.

The organisers wish to thank the parents, teachers, marshalls / helpers, Prestatyn Cricket club, the Ambulance service and all the children who took part in the race making it a huge success.

Our record turnout was shattered with 249 finishers overall, almost 100 more than the previous record of 162. It was great to see so many local schools taking part with Bodnant and Llewelyn both fielding large numbers. Some schools travelled much further to get to the event with the likes of Bryn Coch, Gellifor, Mountain Lane, Sandycroft and Ysgol Glan Aber also fielding strong numbers.

Special mention must go to Bodnant who destroyed the record turnout by a school with a staggering 73 pupils taking part! A big thank you to Mr Batterbee and his team who have had record numbers each year our races have taken place.

Lastly we would like to say a massive thank you to Buzzzie.com for sponsoring the event, this made sure we didn't have to raise the cost of the race and ensured that we could give top 3 prizes in all the races. They have recently released an app that is available for both Iphone and Android phones.

We hope to see you all again next year and the glorious weather!
